Detailed enquiries were made both in the Revenue Secretariat and in the Public Works Secretariat and it has been ascertained that there is no rule or practice at present to the effect that the Deputy Commissioners of Districts should inspect the works before ~~them~~ estimates (Costing more than Rs500/-) are submitted for sanction of Government.

The Chief Engineer may perhaps be consulted unofficially in the matter. Submitted for orders, with reference to paragraphs 4 to 8 supra.

With much diffidence I beg to suggest that in case an estimate has been prepared ~~by a Supt~~ or checked by an Engg. Officer of above the grade of an Asst. Engr. (including the Manamat Asstt. Engr.) the Dy Comr. need not inspect a work below 2500 Rs, but he may be asked to inspect all works costing 5000 Rs above when the Estimate (i.e. respect of them are
